Keeping Abreast
Breast Cancer Reconstruction Support

How you can help us

As a charity Keeping Abreast are always looking to proactively fundraise. As well as our major fundraising events including; our charity ball, our fashion show and of course our Booby Cupcake Week, many of our groups and supporters host fundraising events to help raise funds for us, such as;

- Garden Parties, fetes and cake sales
- Quiz nights and girls nights in
- Cycle rides and marathons or 5/10k runs
- Parachute jumps
- Book exchanges
- Even 'small change' collections – we can send you our 'Penny Pot' kit if you would like?

These are just a few of the things you can do to help us, but we would love to hear more ideas from you!

How does fundraising help?

The money you raise go towards running and expanding our network of support groups, which provide women with the help and advice they need when facing breast reconstruction. Funds help support women through their recover by providing them with post-operative bras, financial assistance with childcare and travelling expenses, help in the home and much more. We have also helped fund the purchase of specialist equipment, training and employment.
